## PIZZA & Sports Bar

### FOR FIRST TIME DINERS, THERE ARE A FEW THINGS YOU SHOULD KNOW:

- We make our dough and sauce fresh each day and use 100% real shredded cheese. The pizza toppings are all fresh and we tend to pile them on.
- The sauce is a little spicy. So if spice is not your thing, try your pizza with lite sauce and no garlic, or try one of our specialty pizzas without pizza sauce.
- Your pizza will be made to order and then placed in one of our Artisan Stone ovens. There is a real art to cooking the perfect pizza! Artisan Stone cooking takes a little longer, but is far better than cooking on the conveyor-type ovens that most other places use.
- The last and most important thing you need to know is that creating the perfect pizza takes time. So if you are in a hurry, please come back when you can spend some time with us. We want you to have an enjoyable dining experience; talking with friends and family, watching your favorite team play or trying to figure out which one of the 40 beers is your favorite. You can't rush perfection!

*Adriatico's has been a mainstay in Clifton for over 40 years. We have moved to expand several times, but have not changed the way we prepare and cook our pizzas since opening in 1974.*

Gratuity of 18% will be added to parties of eight or more.

Please, no separate checks on large parties.
