Adriatico's has been a mainstay in Clifton for almost 50 years. We have moved to expand several times, but have not changed the way we prepare and cook our pizzas since opening in 1974.

FOR FIRST TIME DINERS, THERE ARE A FEW THINGS YOU SHOULD KNOW:

- If you parked in the lot next door and did not pay, they will tow you! Please go pay and the Staff will hold your table for you.
- We make our dough and sauce fresh each day and use 100% real shredded cheese. The pizza toppings are all fresh and we tend to pile them on.
- The sauce is a little spicy. So if spice is not your thing, try your pizza with lite sauce and no garlic, or try one of our specialty pizzas without pizza sauce.
- Your pizza will be made to order and then placed in one of our Artisan Stone ovens. There is a real art to cooking the perfect pizza! Artisan Stone cooking takes a little longer, but is far better than cooking on the conveyor-type ovens that most other places use.
- The last and most important thing you need to know is that creating the perfect pizza takes time. So if you are in a hurry, please come back when you can spend some time with us. We want you to have an enjoyable dining experience; talking with friends and family, watching your favorite team play or trying to figure out which one of the 40 beers is your favorite. You can't rush perfection!

Gratuity of 18% will be added to parties of eight or more.

Please, no separate checks on large parties.

2.75% convenience fee added for credit card transactions.
